Docket #: M-26-DR-7401002  
Social Security #: 457527457

Dear JOHN DOE:

HOBBS MAGISTRATE COURT court's records indicate that you owe the court \$885.00 in outstanding fines or fees. To date, you have failed to respond to the court's attempts to collect this debt from you.

As a result, your name has been referred to the New Mexico Taxation and Revenue Department. The HOBBS MAGISTRATE COURT intends to transfer all or a portion of your 1999 personal state tax refund to satisfy the amount you owe to the court, pursuant to the Tax Refund Intercept Program, Sections 7-2C-1 through 14, NMSA 1978.

Please be advised that if you disagree with this notice, you have the right to request a hearing. To request a hearing, you must contact the court at:  
210 NORTH ALTO STREET, HOBBS, NM 88240 or call (505) 397-3621  
within 30 days of the date indicated in this letter and state the reasons you believe you are entitled to the tax refund.

If you file a joint tax return with your spouse, your spouse may be entitled to receive all or part of the refund regardless of the debt you owe the magistrate court. However, if you or your spouse fail to request a hearing within 30 days, you or your spouse will be deemed to have waived any opportunity for a hearing and any claim you or your spouse might have with respect to this tax refund will be void.

**To expedite the removal of your name from the tax intercept program list, this letter must accompany payment.**

Sincerely,  
Fern Goodman  
General Counsel
